There are no charter schools in this district.			

REPORT OF SUPERINTENDENT

Lee County School District has completed another successful year! Despite nearly \$2.5 million in state budget cuts over the last few years, our faculty and staff delivered first-class educational services to all of our students.

The district's continued trend of improved student achievement is a testament to the hard work of our dedicated staff. An on time graduation rate of 83.9 percent placed the Lee County School District in ninth place among the 86 state school districts. Lee Central High School received Palmetto Gold Awards for improved student achievement and closing the achievement gap. We also had three of our four elementary schools (Bishopville Primary School, Lower Lee Elementary School and West Lee Elementary School) to make Adequate Yearly Progress (AYP). West Lee Elementary School was also recognized as a Red Carpet School. Our second year of PASS testing was a success, with students excelling in the areas of ELA, math, and social studies. SAT scores continue to rise, especially in the area of critical reading. The number of students participating in Advanced Placement (AP) courses shows growth. Technology in all buildings has been or is being updated to provide opportunities for teachers to present engaging instruction in every classroom.

Our district emphasis on professional growth remains essential to our goal of not only having a highly qualified teacher, but also to have a highly effective teacher in every classroom who meets the needs of each student through rigorous and engaging instruction.

We will continue to work diligently to provide choice to every student in our district. The fine arts and athletic programs continue to be a great source of pride for the district and the community, culminating with the Lee Central High School Chorus performance at the South Carolina Association of School Administrators Summer Leadership Institute. Additional options at every level include the single-gender programs, a collaboration with Central Carolina Technical College offering dual credit courses, and offering expanded course opportunities at the Lee County Career and Technology Center.

The district remains committed to maintaining great communication with all of our stakeholders in the Lee County community through one-on-one meetings, presentations, and district-wide events, including the first Back-To-School Bash last summer. Our district website continues to be an effective tool in keeping our teachers, staff, parents, and students informed.

While our teachers and staff play a critical role in the success of our district, we are counting on you more than ever!

The loss of approximately \$2.8 million of state funding in the Lee County School District during the 2011-2012 school year will force us to make tough decisions in regard to our personnel and curriculum. However, we believe your continued support will help us overcome these economic challenges. Please feel free to contact me, district staff, principals, and other school leaders whenever you have questions or concerns.

Cleo Faith Richardson, Jr., Ed.D., Superintendent
