Report of Principal and School Improvement Council

The 2010-2011 school year at B.D.Lee Elementary was centered around Rigor and Character Education. This year our school goals were to implement rigorous and relevant lessons to assist with increasing student achievement and our school implemented PBIS as a method to implement an effective character education program.

In recognition for implementing an effective school-wide character program, our school has been recognized as a PBIS "Ribbon School". B.D.Lee Elementary has been recognized for receiving SCIRA Exemplary Reading Honor School for demonstrating an outstanding reading program, National School of Character and "Promising Practices" awards for implementing unique and specific strategies in Character Education, Exemplary Writing for demonstrating an outstanding writing program, and Red Carpet in recognition for its family friendly atmosphere.

Our students are given opportunities to experience hands-on science activities from South Carolina Standards and field trips. Our business partner "Nestle" has provided our school with community partnerships in reading and our community partner, the Boys & Girls Club, has provided our students with youth development and character programs.

The School Improvement Council, PTO, teachers, students, parents, and our business partners have worked very hard to make this another successful year.
