## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

J.K. Gourdin Elementary School is a schoolwide Title 1 School fully accredited by the Southern Association of Colleges and Schools, located in the Pineville-Russellville community of Berkeley County. Our school serves a total of 190 students in a 4K through fifth grade educational setting. Our mission is to ignite in every student a passion for life-long learning. We will continue to provide dynamic instruction, create partnerships, and provide exceptional support.

In order to achieve our mission, our primary goals are to increase student achievement as measured by the Palmetto Assessment of State Standards (PASS), provide opportunities for teachers to participate in professional training based on best practices, exhibit a safe and orderly positive learning environment, and create an environment that fosters a working partnership between the home and school. We will provide opportunities for all students to be successful.

During the 2010-2011 school year, we continued to operate an extended day program through volunteer services by our teachers. This after-school initiative provided extended day services promoting reading, math, and homework assistance to students with the greatest needs in grades 1-5.

The use of computers and SMART boards provided technology to enhance the instructional program. Students participated daily in reading and math computer assisted instruction in the SuccessMaker Computer Lab. An additional computer lab is used for special class projects to allow students to engage in research, complete Accelerated Reader tests, and participate in the district's benchmark (Measures of Academic Progress) which is used to monitor students' progress and achievement in reading, language, and math.

Teachers were provided opportunities to participate actively in weekly Professional Learning Communities (PLC) activities, conferences, workshops, and mentoring initiatives to promote collaboration, planning, and instruction.

Our students were celebrated with incentives and other rewards for demonstrating positive attitudes, respectful behavior, and academic achievement through our PBIS initiative. They participated in Family Math Night, Oratorical Contest, Spelling Bee, holiday programs, and pageants. We celebrated our school for making (AYP) Adequate Yearly Progress in 2010.

We thank the PTA, parents, volunteers, and the community for playing an integral part in the educational program. Special thanks to Alcoa, Georgia Pacific, St. Stephen IGA, and Moncks Corner Rotary Club. We solicit your continued support in improving student growth and achievement.
