Report Card Summary

St. Stephen Elementary is a small community school of national and state distinction that fosters a positive learning environment for all students. We are very proud of our students, our community, our faculty and staff, and our campus. Our school is rich in heritage and serves students in Pre-K through grade 5.

"Failure is not an Option" is our motto and it drives our mission to establish high standards by creating a learning environment which ensures student performance at the highest level.

At "SSE" we are working together to inspire greatness in each of our students, one child at a time. We are working diligently to identify leadership qualities in each student and build upon them. By engaging students early on in the importance of leadership, we believe that students will develop habits in their lives that will lead to success throughout their academic career.

The faculty and staff of St. Stephen Elementary are exemplary! They are highly qualified, dedicated, innovative, and caring professionals. Our entire staff works unselfishly daily to ignite in every student a passion for lifelong learning.

St. Stephen Elementary's successes are a result of the participation and involvement of motivated students, parents, staff, and community members. As a school community, we bridge opportunities for our students to become empowered to make a difference.
