Percent satisfied with social and physical environment	100.0%	90.5%	83.9%
Percent satisfied with school-home relations	98.2%	87.4%	87.1%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Marlins ROCK is more than a motto for our students. It is a belief that is held in the hearts and minds of our school family. We are Responsible educators who strive to create an Organized environment that models Character and values Knowledge. It is said that some of the largest documented marlins were caught in waters considered to be on the edges of their habitats, pushing their limits. Like the marlin, we have pushed ourselves as educators and learners in an effort to better serve our children and the community in which they live. Our teachers, staff and parents create an atmosphere that builds community and sets high standards that encourage our students to push their limits and exceed beyond expectations. As a school family, we are committed to motivating and challenging our students to chart a course for successful learning. We are honored to have been named Palmetto's Finest this past year.

Our beautiful, nautical themed facility opened its doors in 2007 with 842 students, and we currently serve 948 Child Development through 5th grade students. We are located in a rapidly developing area of Dorchester County. "Teamwork is the ability to work together toward a common vision. It's the fuel that allows common people to obtain uncommon results" (Andrew Carnegie). The message of "TEAM" has been and continues to be communicated through meetings and interactions with all stakeholders. Our principal and kindergarten teachers host a new parent orientation in the spring of each year. Families receive packets of information/activities to help them prepare for kindergarten. At the annual Meet the Teacher Night, teachers share information about goals, expectations, and procedures for the coming year. The administrative team meets weekly and then daily as needed. Monthly meetings are held with PTA, SIC, student council, grade representatives/leadership team, and PBIS leadership team. Additionally, monthly data and curriculum meetings are held with each grade level/content area team. Our business partners meet approximately five times throughout the year. Implementation of and continued integration of PBIS has helped us to create an atmosphere of high expectations and learning. The philosophies of the school community and the vision for the school are shared and shaped through collaborative team meetings.

We have technologically up-to-date computer labs that are utilized by teachers and students on a regular basis to develop PowerPoint programs, to conduct research, to work in their individual learning portfolios within the Compass program, and to develop computer literacy skills. Each class has I pads, SMART board (interactive whiteboard), an LCD, and a set of Senteo clickers to enhance instruction and learning.

Our school met 21 of 21 AYP objectives. We have seen growth for our students and will continue to work to foster the development of our students both in academic achievement and personal growth.

Laura Blanchard, Principal
Jeannette Rehrig, SIC Chairperson
