REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Thomas E. Kerns Elementary is a state of the art facility which overlooks Interstate 85 at White Horse Road in Greenville, South Carolina and shares a campus with neighboring Southside High School. The staff of Thomas E. Kerns Elementary uses skills from studying Positive Based Behavior Supports (PBIS) to focus on school-wide positive discipline. Students and classes are recognized and rewarded for their appropriate choices through PBIS.

Title I funds are distributed in a school-wide program to enhance educational opportunities for the students in math and literacy. These funds provide reduced student to teacher ratios, intervention assistance in kindergarten through third grade, staff development for teachers, and educational trainings for parents. Students are provided opportunities to advance their skills through regular class instruction, targeted small group instruction, and opportunities to work with specialists in reading, math, and computer technology.

In order to stress the importance of parental involvement with student learning, the School Improvement Council (SIC) sponsors an annual "Every Minute Counts" Parent Involvement Blitz Week. This program is designed to focus attention on the importance of daily parent-child interaction. Classes with the most logged hours are rewarded.

In January 2010, a Nature Trail overlooking protected wetlands on our property was created as a Boy Scout Eagle Project from our partnering Boy Scout Troop 9. Students are able to observe seasonal changes and the environment around the school. Buncombe Street United Methodist Church has sponsored our school by donating school supplies and providing reward bags. Additionally, our school developed business partnerships with Kohls Department store, Famous Hair, and Camp Greenville.

Teachers at Thomas E. Kerns Elementary strive to meet each student's individual needs. As a school, we continue to closely analyze our test scores and help students to set and meet growth goals. Tests such as Measuring Academic Progress (MAP) are given to students two times a year and allow us to tailor to the educational needs of each child. In the 2009-2010 school year, Thomas E Kerns Elementary met Adequate Yearly Progress (AYP). The entire staff of Thomas E. Kerns Elementary strives to inspire all our students to be the best they can be.
