REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The staff of E. B. Morse Elementary School continues to strive to improve the academic achievement of all students. We live by our motto, "Putting Children First-Everyday in Everyway". We are committed to providing a challenging, safe, and positive learning environment where children can reach their highest potential. Our dedicated staff, supportive parents, active Parent Teacher Organization, School Improvement Council, and Michelin business partner work very closely to make learning meaningful and enjoyable for our students. E. B. Morse Elementary School is a Title I school, and a place where we strive for excellence, and learning has no boundaries. We are committed and confident that we are successfully accomplishing our mission to create a community of learners who are responsible and productive citizens. Our warm and inviting school serves approximately 620 4K-fifth grade students. We offer a choice of Montessori or traditional education for all grade levels. Teachers attend ongoing staff development sessions in order to provide students with a quality education. The teachers work to provide innovative teaching strategies and rigorous standards-based instruction to ensure that our students acquire the skills needed to grow to greater academic heights. Students needing additional support receive tutoring services in reading, writing, and/or math during the school day and in the afterschool tutorial program.

All of E. B. Morse's teachers are highly qualified. Our 21st Century After School program ranked in the top five in the state. We are proud of our accomplishments and continually strive to improve student achievement. Our primary focus is meeting the individual needs of students. Data analysis, differentiated instruction, and guided reading have been and will continue to be the focus as we strive for continued growth and academic success for all students. Our well-trained professional faculty and staff works diligently to provide every child with academic experiences that extend beyond the classroom so that students will reach their fullest potential.

This year we continued to implement Positive Behavior Interventions and Supports (PBIS). PBIS develops schoolwide systems that support staff to teach and to promote positive, appropriate behavior in all students. This enabled us to be more consistent with our schoolwide expectations and procedures, and we reduced our discipline referrals this year by another 20%. This year we implemented morning clubs that met before school, and we offered additional instruction on technology, reading, math, and physical fitness.

We recognize that education is a team effort. Therefore, we appreciate the support of our parents and community in educating our young learners. Please continue to partner with us as we strive for academic excellence. We thank everyone who made this a wonderful year and look forward to greater achievements in the future. E. B. Morse Elementary is a special place to learn and grow!

Sincerely,
 Ameca C. Thomas, Ph.D., Principal
 Sharon Thomason, SIC, Chairperson
