## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Northside Elementary, in partnership with home and the community, is to challenge every child to be a "Learner for Life!" It is this team approach that makes Northside an inviting, warm, safe and nurturing place. As a Red Carpet school, Northside continues to positively serve its students and the school community. It is a school of high expectations that wishes the very best for every child. Northside Elementary is a community of 600+ students in grades prekindergarten through grade five. There is an even split between male and female students, and a variety of cultural backgrounds are represented. Our average class size in grades 1-3 is 21 and in grades 4 and 5, the average class size is 23 students.

Students and staff here at Northside have the privilege of being in a building that is clean and attractive both outside and inside. The space from a recent expansion and renovation provides an open media format and the fine arts program offers many opportunities for our students. Several pieces of student artwork are displayed in the community and around our school. The music program provides many performance opportunities, including a 5th grade chorus. Physical Education continues to teach students about fitness and general well being. Several students participate in a new archery program before school. A program titled Zest Quest has added a part time wellness coach to the school, which integrates health standards into the general curriculum. Speech, Reading Recovery, English as a Second Language, targeted assistance teachers and a resource class all aid in the development of children needing additional assistance. Northside Elementary offers a comprehensive guidance program with a variety of programs to enhance each child's personal well being. A gifted and talented class serves students who score at the state identified level. Instruction is infused with lessons utilizing Smartboards, United Streaming and laptop computers as well as LCD projectors. The staff of Northside also does a terrific job in handling day to day clerical needs, keeping the school looking great, and preparing the breakfast and lunch programs. Support from an active parent group as well as the School Improvement Council provides necessary input for continued growth and school improvement. A 5k/1 mile fun run and a community pumpkin patch was enjoyed by many. Community sponsorships from these events assist the school with supplies and field trip assistance.

It is this well rounded approach and quality daily instruction that has made test scores in MAP and PASS be above state averages. There is a continual analysis of these tests as well as other daily assessments to seek ways to improve upon our daily instruction and support programs. Through the commitment of the Northside staff, it is our goal to meet each child's needs and encourage them to be Learners for Life!
