Percent satisfied with school-home relations	60.0%	75.8%	80.6%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Holly Hill Elementary School community of learners continues to focus on student growth and achievement. Our school motto of "Putting Children First" drives our decision making process. Strong parental support is evolving into positive parental involvement. Our Parent Liaison continues to strengthen home/school/community relationships.

Providing quality instruction to all students everyday to increase achievement remains our primary goal. Our main focus continues to be Reading and Mathematics. The faculty and staff actively participate in ongoing quality professional development activities. The use of technology enhances the delivery of research-proven instructional strategies.

Our rural location limits our students' access to academic and cultural experiences outside of school. Therefore, every effort is made to ensure that our children participate in a variety of activities before, during and after school, both on and off campus.

Many parents take advantage of the numerous opportunities for them to plan, attend, and participate in school functions throughout the school year. Parents are encouraged to visit school often to conference with teachers. They contribute valuable ideas as plans for school improvement and student success are developed and revised.

During the 2010-2011 school year, approximately 45% of our students in grades 1-5 were recognized for academic achievements at award programs. Thirteen fifth grade students were inducted into The National Junior Beta Club, with five students earning awards at the Winter Competition held in Myrtle Beach. The Kiwanis Club of Santee recognized 34% of students with Terrific Kids Awards. Four class projects earned honors in the District Science Fair. Six fifth grade students participated in the Regional Science Fair. One fifth grader was recognized by Orangeburg County for outstanding character. One hundred twenty-five (125) students participated in the 21st Century Boys and Girls Club. Our students read 15,365 Accelerated Reader books, an increase of 2,065 over the previous school year. Our students continue to be involved in numerous altruistic and service learning projects.

The HHE learning community is confident that if we stay the course our students will exceed our expectations and successfully meet the challenges of our ever-changing society.

Carol Szorosy, Principal
Telissa Mack, SIC Co-Chair
Kristi Ott, SIC Co-Chair
