REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

JBE became fully authorized to offer the International Baccalaureate Primary Years Program (IB PYP) in the spring of 2011. Teachers and staff continue to develop and refine grade level planners. These planners have combined to develop the school's Program of Inquiry (POI), which is posted for all stakeholders at our front entrance. Professional development continues with our focus on IB and inquiry based teaching. Spartanburg County School District 7, including JBE, completed AdvancED and SACS accreditation during the school year, and all stakeholders contributed to our five year school renewal plan.

The PTSO continues to provide great resources, both in financial terms and with volunteer support, for many school-wide programs. Programs include: Artist in Residence, teacher grants, the school-wide musical production, and events such as Bike and Walk to School Days. The School Improvement Council was honored as a finalist for the Riley School Improvement Award by the SC-SIC. A school wide reading program, coordinated with the production of The Jungle Book, was implemented with great success for a second year. Healthy school initiatives and school safety were enhanced with community partnerships and school-wide programs, and JBE was honored by the State Department of Education as a Healthy School Winner for our initiatives. The SIC successfully implemented a program to ease the transitions from elementary to middle school.

Community involvement fuels our efforts towards ensuring the academic success of all students. Our partners donate volunteer hours, products and money to help us achieve our goal. Partners include everything from medical professionals, faith based organizations, colleges and universities to individual community members. JBE offers students many opportunities to develop themselves mentally, emotionally, physically, and socially. These include: musical production, fitness clubs, art club, chorus, recycling club, safety patrol, student council, IB student leadership, running club, and media clubs. Everyone that works at and with JBE desires to help each child achieve their greatest academic and personal potential. Together, all stakeholders work to make sure that every child is given every opportunity to succeed!
