REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pocalla Springs is the largest elementary school in Sumter County, located in a rural area in the southeastern portion of the county. With a population of more than 900 students coming from varying backgrounds, and low socio-economic status families, the academic level of the students continue to grow. As a result of the commitment of the administration, teachers, parents, community, and students, PSES met AYP last year.

The staff at PSES is committed to providing a challenging, safe, and positive learning environment for everyone. To ensure safety, surveillance cameras were installed throughout the school. Instruction is centered around the strengths and weaknesses of each student. There is no one size fits all model for instruction. At PSES, we continue to see an increase in our test scores. It is our primary goal to constantly evaluate our effectiveness as a school. During the 2010-11 school year, we prided ourselves in developing and putting forth a positive effort toward developing a learning community for students, teachers, and parents. The PTA purchased classroom materials and resources and continues to offer opportunities for parents to be a part of our school.

The community and local businesses provide the students with firsthand knowledge of career opportunities beneficial for the future of our students. The School Improvement Council works with the administration and teachers to ensure the best for all students. The parent facilitator provides parents with strategies and resources to prepare students for school. Pocalla will continue to have a proud tradition of excellence and will strive to make improvements in student achievement.
