REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Bethel Elementary School, in partnership with the community is to prepare lifelong problem solvers who will be productive in a culturally diverse and technologically oriented world by providing a quality education in a safe environment conducive to learning. All stakeholders including teachers, administration, and parents work together to provide a high quality education in a safe and welcoming environment.

Bethel Elementary is very proud to be the recipient of the Palmetto Gold Award this past school year. Bethel Elementary has received either the Gold or Silver Palmetto Award for the past 11 years, a direct reflection of the expectations placed on students to achieve their highest potential by the teachers and staff. One hundred percent of the faculty is highly qualified as required by federal and state law and eighty-five percent of certified staff have advanced degrees. There are also seven National Board Certified teachers on staff at Bethel.

Bethel is fortunate to have an actively involved Parent Teacher Organization. The PTO is responsible for the many activities and funds that are provided throughout the school year. Some of these include the annual Fall Carnival, Artist in Residence program, and family fun nights. The PTO provides monetary funds for teachers' support in the classroom to enhance the learning of all students. This year, the PTO purchased 25 digital cameras and technological software to enhance our technology initiatives.

Recently, Bethel teachers, staff and parents completed the Five Year School Renewal Strategic Plan with implementation of the plan to begin in August. Bethel continues to be an exceptional institution of learning and will strive to maintain the level of excellence that was established over the past 80 years.
