Percent satisfied with school-home relations	87.5%	87.6%	87.2%

*Only students at the highest high school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hanahan High School (HHS) is home to a diverse population serving the Huger, Wando, Cainhoy, Daniel Island, Tanner Plantation, and Hanahan communities. In conjunction with the School Improvement Council, PTSA, and Booster Clubs, the school's faculty and staff strive to make HHS the best school in the state. The school's mission and values focus on academic achievement, high expectations, and providing a safe and caring environment coupled with a focus on academic rigor, relevance, and student relationships.

Many accomplishments were attained during the 2010-2011 school year. These included an increase in the number of career and technical education completers, greater parent/community involvement, a declining dropout rate, and increased Advanced Placement and High School Assessment Program scores. HHS enjoyed the highest percentage of students passing AP exams in all of Berkeley County. HHS was also recognized by the South Carolina Department of Education as a Palmetto Silver winner for closing the achievement gap in academic performance. The school was acknowledged for high levels of student performance on the SAT and ACT. Hanahan High had the highest SAT scores of any traditional high school in the Lowcountry. On both assessments, average scores exceeded state and national averages. Additionally, a record number of students were acknowledged through the Renaissance Program for improvement in grades, attendance, and behavior.

The curriculum is designed to serve diverse student interests and needs. A variety of Advanced Placement, Honors, Dual Credit, and Career and Technical Education courses are offered. The South Carolina Curriculum Standards form the content curriculum for classes. The Career and Technical Education Program offers six on-site career majors. The band, chorus, and JROTC programs complement course offerings. Students who need additional support receive it through a variety of programs on campus. The Career Pathways Model was completely implemented as guidance and career counselors met with students and parents to discuss course selections based on student career interests. Our guidance department was also recognized nationally and has obtained the RAMP certification.

HHS students continue to excel academically. The Class of 2011 was awarded scholarships valued at 2.9 million dollars. Eight graduating seniors were Palmetto Fellows recipients, and 66 members of the Class of 2011 received Life Scholarships. Approximately sixty percent of faculty members have advanced degrees, and nearly 20 percent of teachers have achieved National Board Certification. Teachers are student-centered and have high expectations for all students.

Students have a wide array of extracurricular offerings. There are 35 clubs and organizations and 27 athletic teams in which students may choose to participate. Our athletes won state championships in Cross Country, Wrestling, and Boys and Girls Track. Parents, faculty, staff, and the school communities continue to work together to secure a bright future for HHS students.

Glenda Levine, Principal
Joyce Hanclosky, School Improvement Council Chair
