REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Hardeeville Middle High School campus is the home to 550 students collectively. The middle school constitutes approximately 300 students (6th – 8th grade) while the high school (9th – 12th grade) houses the remaining 250. The HMHS staff and community has put forth a lot of effort to change the course of Hardeeville Middle High School, in regards to student discipline, community involvement and considerable gains in the classroom and on the playing fields. We are vowing to continue in our upward migration to becoming a great school in Jasper County, the Lowcountry, the State and the Southeast, by encouraging our students and staff to push the envelope and challenge themselves daily.

1. The Mighty Hurricanes got off to a "Whirlwind" start by going to the 3rd round of the Class 1-A State Football Playoffs
2. Aaron Grant won runner-up in the State 110 meter hurdles and 400 meter hurdles
3. Carlos Morales – Allstate Soccer player Class 1-A
4. Jarrell Knighton, Jamal Kinlaw & Dominique Riley – Allstate Football Class 1-A
5. Jarrell Knighton & Jamal Kinlaw signed to play Football at North Carolina Tech
6. Soccer – Region Champs
7. Aaron Grant signed to run track for Savannah State University
8. Ajene Hilliard was named to the Governors School for the upcoming 2011-2012 SY
9. The Harmonizing Hurricanes performed in Myrtle Beach for the State School reps.
10. The first Parent Day was a huge success

At HMHS we offer our students a hands-on and rigorous blend of Honors and College Preparatory courses. This past school year our students were exposed to many electives that stimulated them physically and cognitively; while the core courses prepared them for post-secondary success. The goals of the School Improvement Grant (SIG) has energized the campus and powered classroom instruction. We had a very energetic PBIS committee that stood out as a true catalyst for the system and allowed it to take root and grow. Throughout this school year all academic decisions have been data driven. With the assistance of our instructional coaches, our teachers met weekly to discuss data, continue implementation of SIG goals and gain knowledge on continued instructional improvement. All stakeholders are now fully aware of MAP/PASS data and how to use it to improve student achievement. In the upcoming year, students will be required to keep data folders with their personal data.

The school implemented MAP RIT time to facilitate improvement in academic achievement for all students. Every student was scheduled to attend a reading or math RIT class at the end of the day. Students were placed in the classes according to their reading or math RIT scores from the previous MAP testing term. HMHS also used SIG funds to provide extended year Summer Enrichment classes for targeted students.

This upcoming school year we will instruct our students using a Four Block Schedule, which will be a challenge, but we will persevere and our students will soar. At the close of this year our graduating seniors are prepared to explore many opportunities and meet the challenges of this global market.

Once again HMHS has weathered the past and is blazing a trail of success in the classroom and on the fields.
