REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Richland One Middle College (ROMC) at Midlands Technical College is a public high school of choice for eleventh and twelfth graders.

A TRUE COMMUNITY SCHOOL: ROMC is a Red Carpet School providing a culture of excellent customer service as well as a 21st-Century Community Learning Center serving the needs of students and families through Project LIFT, unique "after-school" programming featuring Learning Innovations Focused on Technology. ROMC's Foundation continued its successful "Building Better Communities One Student at a Time Campaign" with its second and very successful Educators versus The World Golf Tournament and Expo, which funds early start scholarships, internships, laptops for all students, and other initiatives. Additionally, ROMC's nationally acclaimed chapter of Black Achievers Determined to be Different (BADD) joined forces with their female counterparts of Just Exceptional Women Empowering Lives (JEWEL) to begin ROMC's near-peer mentoring initiative in partnership with Gibbes Middle School.

GUARANTEED STUDENT SUCCESS FORMULA (GSSF): ROMC guarantees student success. The overriding goals of ROMC's Student Success Program are to increase academic achievement by connecting classroom activities to real world experiences; to promote career awareness, exploration and preparation, as well as to develop character and leadership qualities through community service learning. The evidence of ROMC's GSSF is in the 2010-2011 numbers. ROMC's graduating class of seventy-six (76) boasts 97% college acceptance, 100% dual credit accrual, and the completion of more than 16,000 hours of community service. They also earned more than \$500K in scholarship awards: inclusive of twenty-one (21) Life Scholars, and two (2) Hope Scholars.

ROMC continues to actively engage all students through the rigor of project-based learning with the Senior Capstone & Junior Keystone Projects; ROMC Reads!, a school-wide literacy initiative providing all students with books to build personal libraries; and a very technology-rich environment where all students use personal laptops with wireless capability for learning and citizenship in this digital century.

Other exemplary features of the 2010-2011 year include the completion and enhancement of student profiles for all students; fourth annual Fall Expo and seventh annual Academic and Career Excellence Banquet and Exhibition, events celebrating student academic work and achievements; 4 school-wide days of community service; 6 student success seminars and student ambassador leadership trainings; 2 school-wide days of job shadowing; 4 college tours; a rigorous A, B, C, I, NC grading scale; and ever-increasingly acclaimed Advisor/Advisee and Extra Help/Extra Time.
