## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Clover High School is a comprehensive high school serving all students in grades nine through twelve in the Clover School District. CHS continues to show improvement in all areas.

Academically, several thresholds were crossed by our students during this school year. Ten graduates received a SC Academic Honor Award in addition to their SC diploma for exceptional grades and test scores throughout their high school career; nineteen students have received Palmetto Fellows, the premier state scholarship to encourage the best and brightest to remain in SC; 103 Clover High Students received life scholarships; ninety-five students received Hope Scholarships. The total number of graduates eligible to receive a scholarship from the state of SC was 217, more than 50% of our graduating class. CHS set a higher standard for recognizing outstanding performance on college entrance exams with the 2011 graduating class. Seventy-three students scored 1100 or higher on the CR and Math portions of the SAT and forty students scored a twenty-four or higher on the ACT exam. A total of 113 received recognition for outstanding performance on a college entrance exam. CHS also had one finalist for the National Merit Scholarship as well as one commended student.

The Clover High School Student Council once again was awarded the Golden Gavel – for the twelfth straight year – signifying them as one of the top student councils in the state. Our Career and Tech Education students placed in many state and national competitions. Our award-winning chorus, band, and drum-line programs were consistently successful when competing at the state and national level. On the playing fields and courts, CHS student-athletes were named All-Area, All-Region, and All-State selections en-route to region championships and playoff births.
