REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

In spite of being named the poorest funded school in America, the students of Calhoun Falls Charter School continue the pursuit of excellence in academics, athletics, and citizenship.

Dual enrollment courses are offered on the campus of CFCS in the areas of math, English, and health occupations, allowing students to earn up to 18 college credit hours.

Though many remedial and enrichment programs were dissolved due to insufficient funding, an interventionist was added to our faculty to assist at-risk students in the areas of behavior, academics, and attendance.

This year 21 seniors earned 86 hours of dual-enrollment credit and were awarded over \$250,000 collectively in scholarship money. For the second year, a CFCS student was named the South Carolina Public Charter School "Student of the Year." Students also exhibited excellence in athletics, earning individual and team awards. CFCS's football and boys' basketball teams played in the State 1-A Playoff series, and the school now boasts its first state track and field titleholder in the 800 meter run.

Along with academics and athletics, CFCS students continue to develop citizenship skills through the school's service learning program. Over 100 students logged 6,342 hours of volunteer service within the school, community, and surrounding areas. Student organizations such as the Beta Club and SGA sponsored several successful food drives for the town's food pantry, while other groups and individuals participated in fundraising events for Relay for Life and the March of Dimes.

At CFCS, we are proud of our accomplishments and excited about the future. With the continued support of parents and community, we will become the "School of Excellence" we all envision.
