Report of Principal and School Improvement Council

Report of Principal and School Improvement Council

Hilton Head Island Stingrays began an exciting 2010-2011 year with Stingray 101, a weeklong student orientation. Designed by the staff, the program supported student success and addressed issues such as bullying, character building, and the challenges of the middle school years. We had 51 8th grade students who qualified as South Carolina Junior Scholars through their PSAT scores. We inducted 30 8th graders into the National Junior Honor Society and recognized 120 students as Stellar Stingrays. Our students brought home many trophies and awards this year from their participation in Model United Nations Team, Band, Orchestra, Chorus, Strings and many sports teams. HHIMS hosted the 2011 Regional Science Fair and 19 HHIMS students won top prizes at this years' competition. Many of our students were recognized by local organizations, including Rotary Club, and rewarded by our community. Two HHIMS students were recognized in the SC PTA Reflections program in the middle school division receiving first place in both photography and literature. HHIMS earned the Palmetto Silver Award for overall academic excellence in 2010 and we were recently invited to the White House Celebration for our 2011 Bronze Award in the Healthier U.S. Schools Challenge.

Teachers were involved in professional development throughout the year to improve teaching methods, enhance technology skills, and differentiate the curriculum. Teachers received instruction on the reading and writing workshop models of the BCSD Literacy Plan to provide students with effective instructional practices. Currently, we have 14 teachers with Gifted and Talented certification, and we have 9 National Board Certified teachers.

Improvements to our school over the summer included removal of portable classrooms, parking lot renovations, new security doors, interior painting, and renewal of baseball/softball field. All student computers in 6 labs and each classroom computer were replaced last spring; as well as all classrooms are equipped with Promethean Boards to enhance our classroom instruction through technology. Two new programs implemented at Hilton Head Island Middle involved the International Baccalaureate program and the Positive Behavior Intervention and Support program. Hilton Head Island Middle has completed application B for consideration of MYP-IB accreditation. HHIMS initiated a school wide PBIS program entitled RAYS (Respect-Awesome Attitude-Yearning to learn-In order to meet with Success) to provide positive behavior intervention strategies and recognize students modeling appropriate behaviors.

Our outstanding PTA, SIC, and Sports Booster Club continue to generously support the school. All of the parent support groups and countless hours of volunteer time make our school a wonderful and thriving place for Stingray students. We remain dedicated to continued progress in our academic achievement goals in the next school year in support of the District's Strategic Plan.
