Report of Principal and School Improvement Council

Forestbrook Middle School is committed to lifelong learning by challenging students with innovative curriculum, teaching with high expectations, and cultivating individual talents. Our school wide focus is collaboration. Our teachers have worked together to increase effectiveness through weekly grade level subject area meetings and reflection with the use of MAP test results as well as benchmark test results to individualize their teaching strategies and reach all students.

Forestbrook Middle School continues to foster academic excellence and encourage participation in extra-curricular activities. Many of our students have received recognition for both performing arts and academic accomplishments. We had a wonderful and successful year. We experienced gains in our test scores, our Mock Trial won the state competition for the second year in a row, and Eileen Patonay, our career development counselor, won state and national awards for our Career Development program. Our students have participated in service learning for special needs students, cancer research, and orphans in Afghanistan. We have partnered with the community for fundraisers and activities to encourage our students in their career interest. Our students were able to sing the national anthem at the Myrtle Beach Pelicans minor league baseball stadium, and one of our students threw out the first pitch of the game.

Our parents and community members play an integral role in support of our school and its success. This year, we underwent renovation and construction and are blessed to have several new classrooms, a special needs classroom, computer labs, and several new lockers as well as increased parking and traffic flow improvements. We are very proud of our accomplishments; Forestbrook Middle School will continue to strive for excellence in all we do in the future.

Sincerely,

April Scott, Principal
Sharon Vaught, School Improvement Council Chair
