SCHOOL MOTTO: "Building a Better World....One Student at a Time"

McCants Middle School is a wonderful place for our students, staff, and teachers. For the 2010-2011 school year, we continued to offer challenging and engaging instruction to ALL students. Excellence and high expectations remain our primary goal as we engage in continuous improvement in academic achievement. In addition to an already rigorous curriculum, McCants Middle School began implementation of the International Baccalaureate Middle Years Programme. Our goal is to raise the academic achievement level of all our students through the philosophy of providing a "STUDENT CENTERED EDUCATION."

We continue to seek new instructional strategies to move all students to their greatest academic potential and encourage them to become successful self-directed learners. We are proud of our PTA and School Improvement Council. Our PTA has provided funds for instructional materials, school-wide activities and numerous treats that demonstrated teacher and staff appreciation. The PTA, School Improvement Council and administrative staff continue to increase and provide opportunities for parental involvement.

We are pleased with our many commendations; however, it is our challenges toward which our greatest efforts will be directed. We will continue to focus on closing the achievement gap so all students perform at the exemplary level. Secondly, all teachers will stand up to the challenge of using data to make decisions that will improve student achievement. We will continue to work together to provide quality learning experiences for all students.

McCants Middle School is a caring organization of parents, students, teachers and staff all of whom share a sense of school and civic pride. We, as a diverse community, value education, life, country, and faith.
