REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Guided by the principles of Dr. Maria Montessori, East Cooper Montessori Charter School (ECMCS) offers an authentic Montessori education to elementary and middle school students in the Charleston County public school system. ECMCS is the only public charter school in the state of South Carolina serving students in both an elementary environment and middle school environment and has become a model school for new Montessori Charter Schools.

The mission of ECMCS, in part, is to provide a rigorous Montessori education that guides children toward academic excellence and a lifelong love of learning. The school fulfills this aspect of its mission by offering an enriched and cultural curriculum that incorporates and extends district, state and national standards. Montessori education is rooted in the natural curiosity of children about life and the world around them. Students develop their abilities by posing questions, designing investigations, and gaining skills necessary to express and pursue their own research interests. Scientific and mathematical aptitudes, appreciation of history and timelines, literacy across disciplines, and the development of a student's humanity toward the local and global community are all part of the curriculum at ECMCS.

The second part of the school's mission is to encourage stewardship of the greater community. Starting in the first grade, all of our students devote at least 20 hours to an individual community service project called the Yearlong Peace Project. Shelter Box for Japan, collecting coupons for Overseas Coupon Program, various fundraisers for the Turtle Hospital and reading buddies at Malcolm C. Hursey Elementary are just a few of the many organizations to which our students volunteer their time throughout the year. Students are acutely aware of the environment and take care of it by recycling, growing an organic garden and using their herbs to make non-toxic soaps. Parent volunteerism is an integral part of the success of ECMCS and sets the example for students. Parents served nearly 6,000 hours on the school board and committees, helping out in the classrooms and researching community resources to support the schools mission.

The consistent and professional leadership of the Governing Board and school administration remains a cornerstone of its success. The school, like all public schools must continue to do more with less. Our fiscal conservatism and solid strategic planning has allowed the school to implement its plans of expansion to address the yearly extensive wait list of students wanting to attend ECMCS.

The 2010-2011 school-year was filled with many significant accomplishments. The school was again awarded the Palmetto Goal Award; has been the named the host site for CCSD's Montessori training for educators across the state; and offers gifted education in an immersion setting instead of a pull-out model. All ECMCS lead teachers are required to be endorsed in Gifted Education in addition to being state certified in the area of instruction as well as Montessori certified. The school's greatest success is seen in the success of its students.
