REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Greenville Middle Academy of Traditional and Global Studies focuses on reading, writing, and vocabulary development across the curriculum and supports a strong liberal arts interdisciplinary curriculum. We emphasize vocabulary development as part of literature analysis and by close study of Latin and Greek stems. The library Media Center, which contains over 25,000 items for student checkout and research, supports Greenville Middle students as readers and researchers.

Greenville Middle School's mission is to cooperate with home and community to provide diverse, academically challenging, education experiences to prepare emerging adolescents to become self-directed, confident, life-long learners in a changing technological world and productive participants in a democratic society. Greenville Middle Academy monitors progress toward our mission. We examine norm-referenced and criterion referenced tests, catalog school, students, and teacher awards and achievements, conduct pre/post analyses of student, parent, and teacher surveys, collect samples of student and teacher work, and conduct regular classroom observations. Our findings and recommendations for continued growth can be found in the Greenville Middle Portfolio. Parents and community members are invited to stop by the school or look through the Portfolio on our school website, for specific information on topics from test results to parent and student surveys.

Greenville Middle and its students continue to receive district, state, and national recognition. Our school has been designated a "Palmetto's Finest" school and received the National Career and Guidance Award. Students have distinguished themselves in State and district contests. Greenville Middle boasts state winners in Junior Beta Club, Mathematics, Lego Robotics, Science, Strings, Band, Writing, and a National PTA Reflections contest winner.

The success of Greenville Middle's academic program is reflected in recent test scores as well. MAP and PASS scores show continued progress toward our school goal of moving students to higher levels. Our students continue to score above both the district and State averages on the PASS test and achieved AYP status this past school. Because the dynamics of our population changes yearly, Greenville Middle monitors school and student performance as well as opinion surveys yearly to maintain a mission that reflects the strengths and needs of our students. Greenville Middle continues to offer Greenville County students a positive environment for learning and growing.
