* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	39	111	13
Percent satisfied with learning environment	74.4%	75.7%	61.5%
Percent satisfied with social and physical environment	91.9%	77.1%	53.8%
Percent satisfied with school-home relations	33.3%	78.3%	69.2%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Tanglewood Middle School is continuing to work diligently with the SREB (Southern Region Educational Board) in the Making Middle Grades Work initiative with a continued focus on creating professional learning communities and making data-based decisions to improve student achievement. Our school collects, correlates, and disaggregates data to make informed decisions about student achievement. Our teachers work closely together in teams and plan collaboratively to maximize success.

In 2011-2012, our professional focus will be working to increase rigor in the classrooms. Teachers and administrators will be working directly with the Greenville County Chamber of Commerce to implement Continuous Quality Improvement (CQI) tools designed to assist students with goal setting and problem solving. We will also be using the Springboard curriculum to prepare our students for advanced placement classes.

We will continue to utilize a computer-based program, Fast ForWord, to target needed areas of improvement in reading. This program, as implemented at Tanglewood Middle School, reached its highest level of performances during the 2010-2011 school year. Students participating in the program yielded an average growth rate of 1.5 years in reading in one semester.

Tanglewood will continue to use the I Can Learn lab (ICL) as a resource to increase the mathematical potential of students in grades six through eight. This computer-based program is designed to differentiate instruction and provide extra support for students who may need additional assistance in mathematics.

Our school will be in the third year of implementation of a school wide PBIS (Positive Behavior Interventions and Support) model focusing on the acronym PRIDE. (Prepared to Learn; Respectful; Interacting positively; Dressed for success; Engaged) Our students and community are familiar with Tanglewood's expectations which are taught and reinforced through lessons from our staff members. We continue to focus our attention on positive interaction, character development, and mentoring.

We have challenges to overcome with the rigors of AYP and No Child Left Behind, but we are confident that our students will move forward and make improvements with excellent instruction and attention to data.

Our School is committed to the students, families and communities we serve. It takes the combined efforts of these stakeholders to make Tanglewood Middle a great school! Together we will achieve performance excellence!

William C. Price, Principal
Dr. Rick Menzer, SIC Chair
