REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We began our year with the "One Team...One Dream!" school wide theme. Our first staff day was a well planned professional staff development session focused on "team building and team relationships." Our administrative team modeled each area while providing instructional strategies, classroom management skills, the latest in technology, and an effective model on collaboration. Our administrative team disaggregated our PASS state results and presented it to our staff.

Our staff and students achieved many awards. Our school finished with a number two status in schools like us in the state. Awards included 52 South Carolina Junior Scholars, 34 Explore Scholars, 4 John Hopkins' Scholars, 7 Duke TIP Scholars, 5 All County orchestra members, 5 All County, 3 All Region, and 1 All State Band members, 4 All County Chorus member, 2nd place team in Regional and a top ten place in the state in Math Counts competition. We had a District winner in the Soil and Water Conservation Essay contest. Robotics Team placed third in Low Country Lego League Regional Qualifier competition. One of our students participated advanced to the national archery competition in Louisville, Ky. In addition, our Spelling Bee and Geography Bee champions competed at the Region level, our Multi-Cultural committee held its 13th annual "Taste of St. James" dinner, Math-a-thon raised \$3,500 for St. Jude's Research Hospital, \$7,500 was raised for "Freezing for a Reason" to support Special Olympics, school participated in "Relay for Life" program to support cancer research, and our student council association has sponsored a canned food drive, a toy drive, and a scholarship fund raising event for an education major.

Our PTSO and School Improvement Council spearheaded redesigning our landscaping in our front yard and added an irrigation system. These organizations continue to provide meals and incentives for students and staff through-out the school year. We continue to focus on academics including our "20/20" 40 minute school wide reading comprehension program, implementing/adjusting our instructional strategies based on disaggregated data from PASS, MAP, Benchmark tests, and classroom assessments. Our administrative team follows through with teachers in collaborative team meetings. We held an Academic Pep Rally for our staff and students in preparation for PASS based on "Riding the Wave to Success!" Our teachers continue to promote enrichment programs including Math All Stars, Math Olympiad, Life Skills, Math Counts, Mock Trial, and our Cabana Reading incentive program. Our local International Rotary Club rewards three students for most academically improved at our quarterly awards assemblies. We had over 50 local businesses who participated in our "Partners In Education" program. Our Career Specialist arranged field trips to allow our 6th graders to visit local businesses, arranged speakers from many careers to visit and present in all 7th grade classes, and met with all 8th graders reviewing their career possibilities.

We are blessed to be able to work in a great county with a wonderful Advisory Board, District Office, and Board of Education who enables us to reach our goals and aspirations.

Mr. Craig Kenley, School Improvement Council Chairperson
Dr. D. Dwight Boykin, Principal
