REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Throughout the 2010-2011 school year, Aaron Riley Rucker Middle School focused on continued school improvement. We had many highlights during this school term. We received the coveted Palmetto Silver award for general performance from the State of South Carolina Department of Education. Palmetto Gold or Silver is presented to schools throughout the state for attaining high levels of absolute performance.

We were able to achieve Palmetto Silver by continuing to focus on implementing differentiated instruction for all of our students. The successful addition of our single-gender classes in 8th grade brought about a better school environment as well. The sustained implementation of our International Baccalaureate-Middle Years Programme and focus on the process of being an Exemplary Writing School helped drive our instruction. More importantly, students discovered how their unique talents, when developed, become pipelines for future careers. Teachers, administrators, counselors, and all other staff members worked together to create an environment that leads to success.

We concentrated on learning activities designed to address multiple learning styles and achievement or developmental levels. Although there is still plenty of room for improvement and much work remains to be done, the positive trends in achievement for our students give us greater confidence and serve as a motivating factor to stay the course in our commitment to continuous improvement.
