REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As a Making Middle Grades Work school, Heyward Gibbes Middle School prepares students for high school and then for college. We have implemented various strategies to accomplish that goal. Our primary initiative focuses on increasing literacy skills. Students have read a record number of books this year. Literacy Across the Curriculum has been integrated throughout the school. We launched our Book Basket Campaign in which almost 100% of our students and staff voluntarily read books over Spring Break. City Year corps members assisted students on a daily basis to increase their literacy skills. Additionally, several students and staff members placed in the district's visual literacy competitions. Our monthly Literacy Nights have given parents numerous opportunities to explore all aspects of literacy from technology to financial.

All students have the opportunity to receive extra assistance through early bird tutoring, Comprehensive Remediation and 21st Century after school program, and Saturday SOAR Academy. As a result, the percentage of students who met their MAP growth goals far exceeded last year's numbers.

21st century students need more than reading, writing, and arithmetic; they must be able to solve problems, think critically, communicate effectively, and work in teams. Team work and communication are addressed through our Advisor-Advisee program. Every student has an adult advocate and opportunities to grow as a team member. All students participate in the BADD/JEWEL program in which teams of students are paired with near peers from the Richland One Middle College. Students are taught character skills through the Advisor-Advisee program as well as through PBIS.

Not only are we committed to the continuous growth of our student, we also focus on the professional development of the teachers and staff. All of our teachers participated in the course "Instructional Strategies for Teaching African American Students." Teachers also participated in extensive lesson plan training. Several teachers presented at the South Carolina Middle School Conference. Their presentations received positive feedback resulting in an invitation to write articles for the SCMS publication.

The students at Heyward Gibbes Middle School have numerous opportunities to utilize technology. This year, the school was selected to serve as the IPOD/IPAD pilot site. Students have the opportunity to utilize this new technology to accomplish their academic goals. Technology is also utilized in the distance learning Geometry course that is taught as a partnership with Alcorn Middle School.

We have strong community partnerships which include McCullom-Myers Funeral Home, Wachovia, and A T & T Pioneers Foundation. This year's Community Carnival was a huge success. The school and community joined together to provide students and parents with a fun-filled, educational day.

At Heyward Gibbes Middle School, we SOAR with Pride.

Kwamine Simpson, Principal
Dena Franklin, SIC Chairperson
