REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We proudly opened the doors of Black Street Early Childhood Center in August of 2009 bringing together students and programs from four sites. We moved into a renovated building complete with the latest technology and environments designed for young children. After completing our second year we believe that, with the support of our families, we have developed a wonderful school with a positive atmosphere where teaching and learning come first. We have created a developmentally appropriate learning environment and instructional program to meet the needs of every child. All teachers and staff at BSECC have strong knowledge of early childhood best practices and are committed to providing children with what they need to grow physically, emotional, and intellectually. Students in kindergarten participate in full day classes. Our four year olds are served in both half day and full day settings, as are our three and four year old special needs students. A full service Family Literacy Program provides adult and parent education, infant/toddler education, and interactive literacy instruction. We relish the seamless continuity our school allows.

Performance based classrooms assessments are based on the authentic work of students to provide data for individualized instruction. Our School Intervention team helps us to identify and monitor students needing academic support. Progress is measured for our kindergarten students using Primary MAP testing and Dominie assessments.

BSECC was a pilot site for the Eat Smart, Move More SC Early Childhood Toolkit. We celebrated Holiday Healthfests, Turkey Strut, Color Me Healthy, Black History Halls of Fame Walk, Family Learning Events, Read Across America, Relay for Life sponsorship, and Cutting Loose with Mother Goose Field Day. The USC Salkehatchie basketball team partnered with our kindergartners as mentors for literacy and physical education.

Every child at BSECC is cherished. What a wonderful year of accomplishments and joy we have shared!
