2010	Excellent	Good	Gold	N/A	Met	N/A

ABSOLUTE RATINGS OF CAREER CENTERS IN SC*

EXCELLENT	GOOD	AVERAGE	BELOW AVERAGE	AT-RISK
20	9	4	4	2

* Ratings are calculated with data available by 12/13/2012. All Career Centers in South Carolina are included.

TECHNICAL SKILL ATTAINMENT

The percentage of students enrolled in career and technology courses at a center who earn a 2.0 or above on the final course grade.

Our Center		State Center Average (%)	
n	%	n	%
966	93.3%		89.2%

GRADUATION RATE

The number of 12th grade career technology education students who graduate in the spring is divided by the number of 12th graders enrolled in the center and converted to a percentage.

Our Center		State Center Average (%)	
n	%	n	%
210	97.1%		95.4%

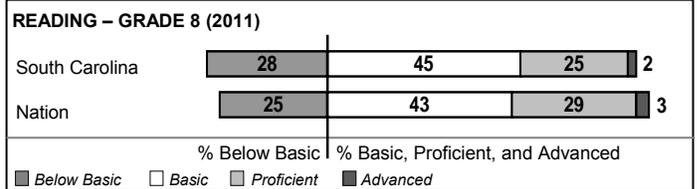

PLACEMENT RATE

The number of career and technology completers who are available for placement in postsecondary instruction, military services, or employment is divided into the number of students over a three-year period who are actually placed and converted to a percentage. This criterion mirrors the Perkins standard.

Our Center		State Center Average (%)	
n	%	n	%
454	94.7%		96.5%

NAEP PERFORMANCE*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Percent satisfied with school-home relations	94.1%	90.6%	79.8%

* Only eleventh grade students and their parents were included.

REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

BJ Skelton Career Center has moved into a new facility with a new name, the Pickens County Career and Technology Center. With our new facilities and new name there is a new atmosphere and culture of work in our building. Our four core values are: Responsibility, Respect, Discovery and Excellence. The faculty and staff at the Pickens County Career and Technology Center strive to: enable our students to be thoughtful stewards of all our resources; be accountable to ourselves, each other and the public we serve; therefore, becoming Responsible citizens in society. We aim to foster in each student a Respect for one's self and an appreciation of others. We strive to help each student trust in the process of Discovery in all learning and to pursue Excellence through diligent effort, both individually and collectively. The Pickens County Career and Technology Center is accredited by the Southern Association of Colleges and Schools. We have identified goals aligned with the Technology Centers That Work (TCTW) school improvement initiatives in order to focus for continuous improvement. Action plans have been developed to address the TCTW goals, which are also aligned with our accreditation goals. The Carl Perkins Standards for our state have changed and we are ramping up our efforts to meet the new bench marks. This year we completed staff development as a faculty to improve our instructional skills and to better understand the learning process. As our students are applying the Discovery process to their learning, staff members are also developing our teaching abilities and learning by discovering new strategies of teaching. We strive for Excellence in our instructional focus. The taxpayers of Pickens County can be proud of the new facilities and of the accomplishments of the Pickens County Career and Technology Center. We continue to develop new partnerships with the local businesses and industries in the area. Many of our students involved in Career and Technology Student Organizations will be representing the Pickens County Career and Technology Center and the State of South Carolina in National events this summer. We had 21 state gold medal winners this year.

Dr. Steward Baylor serves as our School Advisory Committee chair. Leonard Williams serves as our director.

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
