**District Superintendent's Report**

Hampton School District One continues to be recognized as a progressive, innovative school district dedicated to the pursuit of excellence in academics, athletics, and the arts.

During the 2011-2012 school year our schools did well on the state-required PASS test. All of our schools received grades of average or higher on their report card. Fennell Elementary School received state recognition for improving academic achievement.

Our music program is active throughout our schools, and our band won several awards. Our athletic teams continue to perform well while instilling good sportsmanship and work habits in our youth.

Our students are enjoying our new field house at Wade Hampton High School and a new Gym and Music facility at Hampton Elementary School. The North District Middle School construction is progressing well, and we look forward to completion during the upcoming year.

We have accomplished a great deal by working together as a team focusing on our number one goal of improving student achievement.

We wish to thank our community for your continued support and our Board of Trustees for their outstanding leadership.

Douglas E. McTeer, Jr., Ph.D.
