**District Superintendent's Report**

Dear Parents and Community Members:

The 2011-12 school year was another banner year for School District Five of Lexington and Richland Counties. We are moving forward and continuing to actively address the unique educational needs of each of our students.

Our district had many wonderful accomplishments during the 2011-12 school year. The graduating classes of 2012 earned a total of \$117 million in scholarship offers, a district record. Twelve schools received Excellent ratings on both absolute and improvement categories on State Report Cards. The average SAT score for Lexington-Richland Five exceeded both state and national results and was the second highest in the state. All 19 traditional schools received Palmetto Gold or Silver awards, and an additional 23 teachers earned National Board Certification.

Many new initiatives began in our school district during the 2011-12 school year. Positive Behavioral Intervention (PBIS), a proactive behavior plan in a school-wide approach and Response to Intervention (RtI), a multi-tiered approach to interventions for struggling readers, were implemented district-wide. In addition, teachers continued data analysis and collaboration to ensure that each student received the instruction they needed to succeed.

Renovation projects at Seven Oaks Elementary and Leaphart Elementary gave both schools welcome make-overs and renovation work was started at Irmo Elementary and Chapin High. The construction of The Center for Advanced Technical Studies and Spring Hill High School also began in 2011-12. We look forward to the opportunities that will be afforded to our students in these new facilities.

Thank you for your continued support of our school district.

Stephen W. Hefner, Ed.D., Superintendent
