REPORT OF SUPERINTENDENT

For the 2011-12 school year, Fort Mill School District (FMSD) continued to be one of the fastest growing school districts, per capita, in the state of South Carolina. In spite of the most depressed economy since the 1930's, the district grew at a rate of 4% which equated to over 400 new students. The enrollment at year-end was approximately 10,800 students.

The challenge for FMSD continues to be funding the operating needs of a growing district with modest or flat annual increases in state funding. The district again was rated "Excellent" on the state report card system. This report is based largely on student achievement results. Individual and student awards were too numerous to mention, but the following deserve special recognition: All schools received Palmetto Gold awards for outstanding student academic performance; Honor Roll status was awarded by the College Board for increasing the number of students taking advanced placement (AP) courses; over \$17,000,000 in scholarship opportunities were awarded to high school graduates; two students were National Merit finalists; Fort Mill High School was a finalist in the Palmetto Finest competition; Nation Ford High School's band won the AAA state marching band championship for the second consecutive year and participated in the Macy's Thanksgiving Day Parade in New York City; Fort Mill High School's band was selected to participate in the St. Patrick's Day Parade in Dublin, Ireland; FMHS's boys swim team won the AAA state championship; FMHS's girls lacrosse team won the AAA state championship; FMHS's boys soccer won the AAA state championship and the archers from Springfield Middle School won the state championship and competed on the national level.

Even though we face additional financial issues as we go forward, the School Board, the administration, the teachers and staff pledge to continue to provide a quality educational program to our constituents. In fact, we developed a three-year spending plan to prepare for future obligations, including the opening of two new elementary schools in 2014. As always, we will focus our resources at the classroom level. Thank you for your past support and the district looks forward to continuing to work with our community in ensuring that we adhere to the motto of "Children First."
