Report of Principal and School Improvement Council

The faculty and staff at Starr Elementary are dedicated to helping each student meet and exceed their individual abilities and helping them develop to their fullest potential. Starr Elementary served 432 students in kindergarten through fifth grade during the 2011-12 school year. There is one special education self-contained class consisting of students in third, fourth and fifth grade. Starr Elementary also housed a 3 year old and 4 year old Head Start Program, which consisted of 40 students. All grade levels at Starr Elementary hold students accountable for mastering the state standards and striving for excellence as they are emerged with character building traits to help them in all facets of life. Starr Elementary provides a warm, friendly, and inviting atmosphere to welcome all parents and visitors. As a school, we participated in AdvancEd with Anderson School District Three and gained accreditation. Starr has an all-clear status from the State Department of Education. As we incorporate Balance Literacy into our classrooms, teachers are able to help students become more fluent readers. Many improvements have been made at Starr Elementary through the active involvement and teamwork of our faculty and staff, PTO members, parents and community members. Starr is very fortunate to have a very active and supportive PTO that helps foster the relationship between the school, home and community. With the involvement of the PTO, faculty, staff, and community, Starr Elementary hosted a Fall Festival and Spring Fling, sponsored school dances, skate nights, teacher appreciation luncheon, organized a 5th grade end of year fun day, Santa's Workshop, supported our Box Tops Drive along with grade level field trips, and assisted with Field Day. Many parents have volunteered numerous hours giving of their time, energy, and support to help Starr Shine bright in all area. Throughout the year, Starr conducted several ceremonies to reward students with good grades, Accelerated Reader, Terrific Kids, and good attendance. Together with our parents and community, we are dedicated to providing our students with exciting and motivating learning experiences that will make a positive impact on each child.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
