## Report of Principal and School Improvement Council

McLees Academy of Leadership is an outstanding school located on the west side of Anderson, South Carolina, that creates a wonderful learning environment. Last year, we received status as a magnet school of leadership. We continued to train our staff in leadership skills based on Stephen Covey and continued implementation with our students and families. McLees had an average enrollment of 650 students and 82 staff and faculty members. We house grades K-5 in regular and special education classrooms. The faculty, staff, and administration work together as a strong team with common goals. We are committed to providing a quality instructional program that is tailored for each child in a safe school environment. Our school received a report card rating of good in 2011. We are a Red Carpet and a Schools of Promise School. We are recipients of two state awards: Literacy Spot Award which recognizes outstanding emergent literacy programs in primary schools, and Exemplary Writing Award sponsored by the South Carolina Department of Education based on an extensive evaluation of a school's instructional programs, with a particular emphasis on writing. We are also recognized as a Leader In Me School through Covey. Instructional programs at McLees included computer assisted instruction, Early Reading Intervention, Daily Calendar Math, and balanced literacy. We continued with our writing recognition programs this year: Best in Show and Maverick Writers. Staff development sessions included guided reading, math, technology, Science kits, leadership, and data analysis. Other activities included a Chorus, Post Office, Publishing Center, School News Show, Leadership Marches, Recycling, and Open House. At McLees Academy of Leadership we are dedicated to our students and eagerly accept the challenge of guiding them as they become responsible, independent learners in a developmentally appropriate environment. Diversity is appreciated, and family and community are involved as partners in this process!

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>91.9</b>
