**Report of Principal and School Improvement Council**

Hilton Head Island Elementary School for the Creative Arts (HHIESCA), in its seventh year of operation and a nationally recognized arts-focused school of choice, ended the school year with 787 students increasing enrollment again this year by 4%. Daufuskie Island Elementary School (DIES), annexed to Creative Arts last year, continues to provide exemplary opportunities for students in a multiage setting. DIES continues to be accessed only by boat from Hilton Head Island.

This year HHIESCA was again recognized at the state and national levels in academics and the arts. Continued parent and community involvement in the school helped make our school a model in the district and the state. HHIESCA was selected as the Atlantic Region Active Schools Acceleration Project winner and one of nine schools in the country to receive \$25,000.00. The 2012 ASAP Innovation Competition Awards honor the nation's best in-school-time physical activity programs. This prestigious award was received for our school's Strength Team and validates our strong focus on Health and Physical Fitness in our approach to education. Our school worked hard the past three years to be sure that a strong health and fitness program is in place. HHIESCA was also designated as a Bronze Level South Carolina Healthy School by the SC Department of Education and the SC Department of Health and Environmental Control.

For the second year, HHIESCA was selected to design ornaments for the South Carolina Christmas Tree for the 2011 National Christmas Tree Lighting Ceremony at the Ellipse in Washington, D.C. in December. Local artist Bruce Holler worked with students to create original ornaments in a residency funded by the Arts Center of Coastal Carolina as part of their education outreach program.

HHIESCA has the distinction of being one of four schools in the district to receive a Palmetto Silver Award for academic achievement for the fifth year in a row. This award brought district and state recognition of the school's achievement.

We are proud of our school staff. Our teachers also continue to grow professionally by their participation in staff development activities in technology, curriculum mapping and working with second language learners effectively. One teacher received her doctorate and seven others, more than any other district school, were selected to participate in a master's cohort program in administration, math or science.

A supportive PTO and an active SIC continued to work to increase student achievement, support the arts and wellness and update our School Renewal Plan. Their efforts support the district's and school's vision and mission statements making HHIESCA and DIES great places to learn where "Every Child is a Masterpiece"!

Respectfully Submitted,  
 Gretchen Keefner, Principal - - Jennifer Jenkins, SIC Chair - - Beth McDonnell, Dawn Chiasera and Kristina Roberts, PTO Co-Presidents

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child’s district or school.
