Student Council Officers assisted during quarterly Spirit Day Assemblies, the Fall Festival and May Day. Student Marshals and the Flag Corps Team provided students with leadership opportunities. The Annual Fall Festival, Spring Talent Show, May Day and Field Day celebrations provided opportunities for community involvement and participation.

District-led ELA, math, science and GT social studies sessions were held throughout the school year to strengthen teacher knowledge and instruction of the standards. Common Core staff development sessions were held. The school-wide PBS Model continued to acknowledge appropriate student behavior. Dennis Gearhart was selected Teacher of the Year, Phyllis Foster was chosen as Assistant of the Year and Sharon Byram was selected as Educator of the Year. ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
