**Report of Principal and School Improvement Council**

At Alexander Elementary we are committed to our mission of providing a safe, respectful environment where school and home promote high achievement for all learners.

The top priority at Alexander is academic achievement. Our goal is to move each student to proficient and advanced levels of learning. Students and staff set individual goals and monitor student progress through data notebooks and classroom data walls.

To aid in improving students' academic achievement within the school year, teachers used information provided from common assessments. Item analyses were used to determine skills which students had mastered. Students received small group instruction for re-teaching and acceleration. This year we implemented the Fountas and Pennell guided reading program which is designed to help individual students learn how to process a variety of increasingly challenging texts with understanding and fluency. We also continued with RTI (Response to Intervention) reading program for students reading below grade level.

The Alexander Eagle Choral Ensemble received an award for the Best Walking/Marching Unit in the 2011 Poinsette Christmas Parade. Students competed in the district's Battle of the Books winning the first round of competition.

Our students are supported by parents and community volunteers who can be found tutoring and serving as adult mentors. The Men who Read program was implemented this year. Each month male role models from the community read to male students in grades 2-5.

Alexander has strong student recognition programs including Terrific Kids, Perfect Attendance/, and Principal's Accelerated Reader winners and Student of the Year.

Alexander is a great place where there is a relentless focus on student achievement.

Soar High, Score High!

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
