## Report of Principal and School Improvement Council

Thomas E. Kerns is a Title I School serving approximately 600 students. Located in Greenville, South Carolina, Thomas E. Kerns is a state of the art facility overlooking Interstate 85 and White Horse Road. Our school has achieved many awards as a result of commitment to student achievement, safety, and responsibility: Palmetto Silver Award, Clean School Award, Safe Kids Upstate Award, United States Environmental Protection Agency's Energy Star Award, and we are recognized as an Exemplar School of Positive Based Intervention Support (PBIS). Title I funds provide additional personnel, materials and opportunities to support educational achievement in literacy and math. Reduced class size, intervention assistance for kindergarten through third grade, staff development for teachers, and focused parenting sessions support student achievement. Students learn and apply computer skills to create projects and to extend classroom learning. During the 2011 – 2012 school year, Buncombe Street United Methodist Church provided mentors for identified students. Through weekly tutorial sessions, these mentors built caring and trusting relationships with our students. Business partnerships continue with Kohl's Department Store, Famous Hair, Camp Greenville, and Welcome Baptist Church for the Good News Club. Planning among grade-level teachers assisted with the development of common assessments. Teachers carefully analyzed data from many sources such as tests, quizzes, Measures of Academic Progress (MAP), and Palmetto Assessment of State Standards (PASS) to monitor and adjust instruction based on identified academic needs. Parental involvement opportunities in activities such as Reading, Math, and Curriculum Nights provide strategies for helping the students at home. Additionally, regular parent training sessions were held to enhance parent knowledge and skills. The Title I Social Worker, nurse, mental health counselor and school counselor provide additional support which assists in helping students to be successful. The entire staff of Thomas E. Kerns continues to encourage our students to put forth their best efforts daily and to set high goals for themselves.

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
