Report of Principal and School Improvement Council

Woodfields students strived to stay Safe, On Task, show Actions of Respect, and to be Responsible (SOAR) during this last school year. We used PBIS (Positive Behavioral Interventions and Support) in our classrooms to help students become responsible for their own learning and behavior. Teachers used balanced literacy to provide a research-based reading program that focused on student reading levels and needs and taught students effective reading strategies. We continued to work on ways to "close the achievement gap" by looking at the needs of our students giving those students learning activities designed to help them achieve their best. Our students raised money for community service organizations. Our drill team and dance crew performed at Relay for Life and other community events. The highlight of our year was being named a 2011-2012 Palmetto Silver Award winner. We had many curriculum offerings, including Reading Recovery, GATAS, a Computer Lab, Art, Music, PE, and Special Education Services. Our PTO supported many family activities and we had many volunteers who regularly helped us. We continue to "SOAR" at Woodfields Elementary School.

Mrs. Virginia Metts, Principal

Betty Strange, Chairperson – Woodfields School Improvement Council

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
