## Report of Principal and School Improvement Council

What an exciting time for Ware Shoals Primary School!

We are thrilled to be recognized as a South Carolina Palmetto Gold school for outstanding academic achievement. The commitment in tailoring instruction to meet the needs of every child has played a large role in our success. Although we celebrate the honor, we continually seek ways to improve our instruction and provide the optimal learning experience for the children in our community.

Yearlong professional development on Curriculum Mapping has enabled our faculty to begin to align content and ensure standards are taught at the proper cognitive levels. Our State's adoption of Common Core Standards appears to have an increase in rigor and we expect our students to respond positively to the higher expectations. We continually strive to instill strong character in every child as evidenced by our PBIS initiative. It is critical to celebrate positive student behavior and foster a climate of mutual respect for each other as this will prepare our students for life outside of education. We are truly fortunate to have the support from students, parents, and our community allowing us to fulfill our district motto, "Learning, Serving, and Leading".

Shawn Davenport, SIC Chairman

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>91.4</b>
<b>Overall Grade Conversion</b>	<b>A</b>
