Report of Principal and School Improvement Council

Pomaria-Garmany Elementary School is located in the rural community of Pomaria in Newberry County. Our school serves a diverse population of 386 students, which includes pre-kindergarten through fifth grade. Fifty-four percent are Caucasian, twenty-five percent are African American, and twenty-one percent are Hispanic.

Pomaria-Garmany is an Advanced ED accredited institution. Sixteen faculty members at Pomaria-Garmany Elementary School are National Board Certified teachers. The faculty participated in many professional development activities this year including PBIS (Positive Intervention Systems) trainings and Building Relationships with students. First Steps continued to fund a summer program for ten kindergarten students to increase their readiness level for kindergarten. These awards and other activities demonstrate a hardworking and dedicated faculty and staff.

Students at Pomaria-Garmany Elementary had many accomplishments this year. On a school level, students were recognized at the end of year awards ceremony. Students were rewarded with plaques, medals, and certificates. Parents and members of the community were invited to support student achievement. Additional awards were given to fourth and fifth grade students as recipients of the Duke TIP Talent Search Award. Pomaria-Garmany Elementary was also a 2010-11 Palmetto Silver recipient.

Students at Pomaria-Garmany experienced learning outside the classroom through guest speakers, field trips, family nights and school-based service learning opportunities. Third grade students served as Library Helpers, assisting the media specialist in shelving books after school. Fourth grade students continued to maintain the PGE postal system and delivered mail to students, faculty, and staff. Fifth grade students, under the guidance of our school media specialist, produced a daily morning news show. Fifth grade students also were selected to serve as our morning STAR Patrol. STAR Patrol assisted in school morning duties and modeled character skills for younger students.

Pomaria-Garmany Elementary School continues to be a PBIS school and is looking to make long-term, durable lifestyle changes for the students as we focus on positive behaviors and correct behaviors that do not meet school expectations. A caring community and the need to belong are essential to make PBIS work.

Students were rewarded for positive behaviors using Tiger Bucks. These bucks were cashed in every nine weeks for an entertaining activity or shopping in the Tiger Mart. The most "Pawsome" student, the student with the most tiger bucks was recognized each month. Classrooms were also presented with the Finer Diner Award for best behavior in the cafeteria and the Golden Dustpan Award for the cleanest classroom. Bus students were also presented with the Golden Bus Award for students who displayed exemplary bus behavior.

Parents and community members actively supported our school. Our PTO and School Improvement Council were very supportive in making school decisions. Parent volunteers, community members, churches and civic organizations were also very supportive in providing for the needs of our students. Members of the community provided a skate night, Zaxby's night, and LaFogata night. All of these events generated funds for our school.

Pomaria-Garmany Elementary School is a learning community where parents, teachers and community members work together to ensure that students are successful.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	99.8
Overall Grade Conversion	A
