## Report of Principal and School Improvement Council

Ravenel Elementary School strives to "Reach Every Student" by utilizing best practices in the educational process. Ravenel serves 543 students in grades kindergarten through fifth grade. Ravenel Elementary's goal to "Reach Every Student" in the classroom is our main focus. Teachers use best practices such as differentiated instruction, balanced literacy, and formative assessment to engage students in the learning process. Teachers continually use data, such as MAP and PASS scores, to drive their instruction. Academic goal setting is facilitated by our guidance counselor for students in second through fifth grade. This year the School District of Oconee County has provided on-site training in the effective use of 100 Book Challenge. Academic assistance is provided through Early Reading Intervention (ERI), Intensive Reading Intervention (IRI), and Reading Recovery. School performance on PASS was honored with a Palmetto Silver Award for closing the achievement gap.

The school climate continues to improve through the leadership of a revitalized Positive Behavior Intervention Support (PBIS) team. A school-wide system of expectations was in place and incentives provided to students. Support was provided to those students requiring a Behavior Intervention Plan. Four Ravenel teachers and one administrator were recertified in Crisis Prevention Intervention as well as two additional teachers receiving initial certification.

Ravenel works hard to be a school where all are welcome and students are provided a safe environment. This year our after-school program, Tiger Cub Academy (TCA) served eighty students. Ravenel Family Nights were enjoyed by students and families including Book Fairs, a "real" historic wax museum by fourth grade, as well as a monthly free movie night. We also encourage students to be physically active. A daily early morning walking program was supervised by our two PE teachers with grade level teacher assistance. Our third through fifth grade students took part in the annual Clemson Relays, we participated in Jump Rope for Heart in aid of the American Heart Association. Students, faculty and community members enjoyed the 19th Artists on the Green where local artists and performers gather at Ravenel to share their talents. Our guidance counselor also organized an annual Career Day for students. The school raised funds for local food banks, provided shoes for local homeless shelters, and participated in the American Cancer Society's Relay for Life.

The PTO and SIC are vital parts of our school and help Ravenel "Reach Every Student" with additional leadership and funds. PTO awarded several teacher grants to purchase instructional items, as well as honoring them during Teacher Appreciation Week. Updated Accelerated Reader software was also provided by our PTO. Numerous activities were organized and sponsored by PTO including a Variety Show, Fall Festival, and continuous assistance with everyday school activities.

We will continue to strive to live-up to our district's motto, "Education is Everybody's Business." We know that community outreach and partnership with our school families will make this possible. We will continue to improve our performance and therefore our students, so that we will indeed "Reach Every Student" at Ravenel Elementary School.

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>89.8</b>
<b>Overall Grade Conversion</b>	<b>B</b>
