Report of Principal and School Improvement Council

Forest Acres Elementary School faculty and staff provide exemplary instruction for ALL children in a caring and safe environment. Our faculty and staff share the same high expectations as the parents: a safe, clean environment where all children experience academic success. Our community actively seeks a role in the education and celebration of our children. Our children benefit from this strong partnership with our community, as has been evidenced by again being recognized by the State Department of Education as a Palmetto Gold Award winner for attaining a high level of absolute performance. Our number one goal at Forest Acres is Academic Achievement. Our percentage of students meeting standards on PASS exceeded the state in Math, ELA, Science, and Social Studies. We utilized MAP Testing (Measures of Academic Progress) in grades K5 through five. On both PASS and MAP, Forest Acres' students scored at or above the district average at all grade levels in both Reading and Math. Students are provided a myriad of enrichment activities and learning based field trips which include a fifth-grade trip to Tybee Island, Georgia to study marsh and beach ecology. We have the QUEST program for Academically Advanced and Gifted students. Our PTA sponsors week-long artists-in-residency to enhance our school's arts program. We provide extended day activities through an After School Care program, after-school academic assistance, and a summer 'Seekers' skills program. Outdoor learning environments offer students the opportunity to interact with environment. A water garden provides students with space to study weather, plant life, and seasons. A nature trail and outdoor lab allows students the opportunity to have science classes outdoors. Our computer lab and science lab enables our students to experience hands on lessons and supports STEM (Science, Technology, Engineering, and Mathematics Education Coalition) initiatives to improve instruction. We believe service learning and service to our community are important aspects of our offerings to students. Our active Student Council led many efforts in this area each year. These are vehicles for our students to learn good citizenship and compassion for others. Among our student and staff efforts are gathering canned goods for a local food bank, collecting toys for Country Santa, Angel Tree giving to families in need at Christmas, Share the Warmth, Jump Rope for Heart, and Special Olympics. Our PTA led outreach efforts including the Ladies Who Love Us breakfast, Men Who Matter Most breakfast, and the Fall Festival. Due to the dedication and commitment of the staff of Forest Acres and the support and pride of our parents and community, our accolades are many. We seek to continue maintaining high standards and achievement and meeting the needs of our diverse student population. Together, we are working to embody our mission to build "Foundations of Academic Excellence" at FAE.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.2
Overall Grade Conversion	B
