Report of Principal and School Improvement Council

Conder Elementary Arts Integrated Magnet School's seventh year as a school of the arts has been outstanding for students, teachers, and for the community. We hold the distinction of being the only elementary arts magnet school in Richland School District Two.

At Conder, we believe that "Students Through the Arts Reach Success." This belief motivates core teachers and our arts team to design challenging, arts infused academic lessons that engage students intellectually and creatively. In Conder's sixth year as an Arts in Basic Curriculum (ABC) Advancement site, we have cultivated a productive partnership with the South Carolina Arts Commission. As a result of this partnership, teachers participate in intensive, on-going professional development to strengthen arts integration strategies that have a direct impact on student achievement. Our students proudly demonstrate their attainment of artistic skills through a variety of venues such as on and offsite concerts, musicals, dance productions, and art shows.

Conder was honored to take part in a live interview by the State Department of Education and ETV that highlighted a successful South Carolina arts program. As a model arts magnet school, we emphasize academic achievement and building strong character traits that foster student success. Conder was recognized for accomplishments in both of these areas.

Our school received the Palmetto Silver Award for General Performance and for Closing the Achievement Gap for historically underperforming students from the State Department of Education. We were also selected as a South Carolina School of Character by the Palmetto Character Council because of our high quality citizenship, guidance, and mentoring programs. One exemplary program, Conder's A+ Girls (All Positive Girls mentoring program), was selected as the 2012 Promising Practices Award winner and will be recognized in Washington D.C. this fall. This program is a model for other schools to possibly replicate and integrate into their character education initiatives.

Additional opportunities for students to achieve greater academic success are provided through the Reading Counts program and in the following clubs: Chess Academy, Star Ambassadors, Star Gents, and the Green Team Recyclers. The dedicated Green Team is another model program and their efforts led to Conder's designation as one of the two certified Green Steps Schools in South Carolina. Because of our strong parent-friendly policies and civic alliances, Conder continues to be a Red Carpet School. Family activities have included Hispanic Family Night, Movie Night, Arts Concerts, the annual Mother-Daughter Tea, and other family favorites. Conder's faculty and staff continue to reach for the stars to meet or exceed the needs of our students, parents, and community.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
