## Report of Principal and School Improvement Council

Pontiac Elementary focuses on meeting the needs of individual students, which in turn creates group success. As a Red Carpet School, we continue to enhance our learning environment by creating a positive, safe climate. Our National Blue Ribbon status, School of Promise, District Teamwork Award and Exemplary Writing Award confirm our drive to continue to stretch our academic expectations for all students.

We feel our community-building climate is what contributes to our ongoing successes. We continue as a faculty, staff, parent, and student team to constantly change and restructure. We pride ourselves on our philosophy of meeting the needs of all students. Making a difference with each individual student is our focus. With such a qualified staff including 22 National Board Certified Teachers, State Math and Literacy Coaches, 2 finalists for the State of South Carolina Excellence of Teaching in Math and Science, 6 District Honor Roll Teachers, District Teachers of the Year (2009, 2010), a Fulbright Scholarship Winner, Past Support Person of the Year and many grant recipients, we are ready to challenge each and every student to reach his/her potential.

We are proud of our technology labs, Smart Boards in every classroom, as well as computers and other multimedia technologies in the classroom to enhance instruction.

Our developmentally appropriate space for kindergarten, elementary, and intermediate grades has provided teachers and students with a facility that endorses hands-on learning. Our ability to offer low teacher/pupil ratios continues to be a strength of our program. Our partnership with the University of South Carolina continues to offer many experiences for our students. Being a Professional Development School enables us to continue to grow in all areas of the curriculum. Our partnership has enabled us to be a part of many University grants and projects and on-site professional development. Our University partnership allows us to observe and interact with beginning teachers. Richland School District Two and Pontiac Elementary continue to hire the best of the best.

We continue to work on safety issues and meeting the needs of a growing, active community. Many variables are included in providing the very best learning environment for all students. As we continue to "work on the work" our school level design team is focusing on student engagement. As we study and collaborate with all groups, we will continue to reflect and evaluate best practices for student success. We will continue to strive to be the very best educational setting for all students.

Beth T. Elliott, Principal  
Bill Collins, Site Council

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
