Report of Principal and School Improvement Council

Inman Elementary School is a K-3rd Grade school focuses on early intervention. Our program starts with pre-school children with disabilities class that serves the needs of identified children beginning at the age of three. In addition to our regular half-day 4K program, a full-day 4K program also served 22 four-year olds. Many of our half-day 4K students also attend Head Start for additional intervention. Reading Recovery is provided for our First Grade struggling readers with one-on one and small group intensive literacy instruction. Students with English as their second language work closely with staff who utilizes specific reading strategies to enhance their academic success. Academically gifted 3rd graders receive enrichment through the EXCEL program. Inman Elementary will continue to set high expectations for all students and continue to stay abreast of the current trends to provide our children with the knowledge needed to be successful in our ever-changing society. On behalf of our faculty and staff, I encourage and invite you to take an active role in a child's education and life. Our Mission is to provide a quality student-centered education.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
