## Report of Principal and School Improvement Council

Arcadia Elementary School is committed to promoting excellence while ensuring academic, personal, physical and social development for children. We are focused on improving reading, mathematics, writing, science and social studies and providing quality experiences in the arts. Our school sets high expectations for academic achievement and character education standards with an emphasis on celebrating diversity through community-building, enrichment, and mainstreaming. We are committed to excellence, and our students are given opportunities to move along their continuum of learning through innovative programs and teaching strategies.

Arcadia Elementary School is committed to promoting excellence while ensuring academic, personal, physical, and social development for each child. This year our school community earned the prestigious Palmetto Silver Award for high levels of general performance on the SC PASS test. The number one goal of our faculty and staff is to meet the needs of our students and families.

During this past year, we continued our afterschool and summer Boys and Girls Club in order to meet the educational and developmental needs of our students. On our school site, we had 165 students in grades second, third, fourth, and fifth who stayed five days per week until 6:00 PM for enrichment, remediation, character education, supervised play time, Girl Scouts, athletic teams, and participation in an outstanding Boys and Girls Club. We had 45 first graders who attended the exceptional ARCH afterschool program at the Arcadia United Methodist Church where they also received quality remediation and enrichment. Our summer program had 150 students, grades 1-5, who again received quality instruction by certified teachers as well as a quality full-day program sponsored by the Boys and Girls Club of the Upstate.

Arcadia Elementary School is proud to have met our adequate yearly progress goal for the 2011 test data. This success proved that many of the programs we have implemented are showing results and progress due to the educational testing levels attained by our students. Some of the programs we have implemented in addition to our district curriculum are SRA reading, Sidewalks RTI reading, Voyager reading, Rosetta Stone, and Calendar Math.

Our school was also one of 10 schools in the U.S. to receive a LIEP site visit from the U.S. Dept. of Education. Our school was chosen because of the success of our ESOL students. It was an honor to receive this visit. Along the same lines, AES had 2 visits from the Clemson International Fellows program. This is 16 teachers from 8 different countries who came to learn about our successful programs as well as share about their country and schools with our students .

Our faculty and staff are truly dedicated to continued improvement on PASS grade level skills and increasing student achievement through sound instruction of standards and other endeavors to provide our students with "A Great Beginning!", our school motto.

Dr. Chuck Bagwell, Principal

Mrs. Melissa Miller, SIC Chair

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>98.0</b>
<b>Overall Grade Conversion</b>	<b>A</b>
