## Report of Principal and School Improvement Council

The 2011-2012 year has been exhilarating for Jefferson Elementary School. We have worked diligently to "spark potential and inspire success" in our students as well as our faculty, staff and community. We are extremely proud to be a part of an Advanc-Ed accredited school system. Our school system performs at or above the expected level on all standards. Jefferson is also honored to receive a Palmetto Silver Award for general performance.

We all work together to provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society. Community members are involved with our students through the Lunch Buddies program. Area businesses allow release time for employees to mentor children throughout the school year. In addition, organizations such as the YMCA and York County Emergency Management, along with private individuals sponsor monthly clubs for students on Fantastic Friday. Clubs expose students to various trades, skills, and crafts to widen their background of experience. We have stressed the qualities of good citizenship through our character education program. Examples include participation in service activities such as recycling paper and plastics, Pennies for PATH, Jump Rope for Heart, and Relay for Life. Students receive monthly instruction on character traits such as honesty, perseverance, respect and wisdom.

During the 2012-2013 school year, we will continue to provide a diverse and innovative education as we continue our focus on four target areas: 1) data-driven instruction, (2) literacy across the curriculum, (3) extra time/extra help for students, and (4) technology to enhance instruction. Our plan of action includes increasing the percentage of students meeting target growth on MAP, continued refinement of reading instruction, providing intervention services for struggling students, expansion of character education to include bullying, and promoting the use of available technologies to enhance instruction.

Crystal Small, School Improvement Council Chair

## ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>93.8</b>
<b>Overall Grade Conversion</b>	<b>A</b>
