Report of Principal and School Improvement Council

At Richmond Drive Elementary, our mission is to equip every student with the skills, character and experiences in order to positively impact our world. Our vision is to develop learners who make a difference. We are united by these core beliefs: Safety, Diversity, Whole Child, Social Responsibility, Cooperation, Inclusion, Creativity, Respect, and Excellence.

This year our school community clarified and defined the mission, vision and core beliefs of the school. Our faculty and parent leadership spent time determining how these beliefs will affect our actions as role models for our children. We want students to make a difference in our world. There were so many ways that we, as a school community, made a difference. We gave \$5,200 to Heifer International to feed families in poverty all over the world. We developed a plan for a partial immersion language program that will begin in kindergarten in the fall of 2012. We have fifty families that have signed up for that program. We improved our methods of communication including better use of technology and social media. We added six new staff members (Mrs. Bellenger-5th, Mrs. Heitkamp-5th, Mrs. Morgan-4th, Mrs. Hunsaker-3rd, Ms. Blake-1st, and Mrs. Bellenger-Bookkeeper) who made such a positive difference. We began a mentoring program for older boys. We improved our teaching methods in math to include more inquiry and problem solving. We developed a Summer Reading Program that will help improve reading achievement with all our students. We purchased forty iPads to engage students in 21st century learning. Most importantly, our children learned the important skills and character traits that will enable them to become difference makers.

As we look towards next school year, we are excited about some developments that will further enable us to accomplish our vision. We hired Sra. Claudia Notaro as our kindergarten partial immersion teacher. As a native of Ecuador, she taught kindergarten there and has been in the US for the past fifteen years teaching Spanish in elementary schools in NC. Mrs. Diana North and Mrs. Deanna McGuire will both teach first grade with us. They are veteran teachers in the district who desired to move to our school. Mrs. Marcy Barwick, a former teacher at Richmond Drive, returns to us to teach third grade. Mrs. April Thornton will be our new art teacher. Through a grant program with the Chinese government, we will hire a teacher from China to teach in our school this fall. She will teach Chinese language and culture classes as a part of our related arts rotation of art, music and PE. This summer, six staff members (Ms. Stallings, Mrs. Scheppegrell, Mrs. Legrand, Mrs. Dobbins, Mr. Mulcahey, and Mr. Maness) will go to Shijiazhuang, China in July to teach English to high school students there. We want to model for our children what it means to make a difference throughout the world.

Ms. Kathryn McGregor, School Improvement Council  
 Mr. Patrick Maness, Principal

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	90.2
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Richmond Drive Elementary school has been designated as a:

- Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- Title I Priority School – one of the 5% lowest performing Title I schools.
- Title I School – does not qualify as Reward, Focus or Priority School.
- Non-Title I School – therefore the designations above are not applicable.
