**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

Lady's Island Elementary is located in Beaufort, South Carolina. It is nestled in a remote corner of Lady's Island bordered by the marshes of Chowan Creek and Distant Island. It is a school with a commitment to academic excellence through arts integration. A school of choice, students from across the district choose to attend Lady's Island Elementary along with those who are in our attendance zone. The school's community designates student achievement as its highest priority while maintaining a safe, productive, and family-oriented environment.

L.I.E.S. is an extraordinary school. In addition to the traditional subjects of physical education, art, and music, Lady's Island also boasts outstanding drama, dance, show choir, and strings programs. These programs are embedded into our curriculum through collaboration between academic and fine arts teachers that allows students to master academic standards in engaging, multisensory classroom settings. Students learn about math, science, social studies, and ELA through dance, music, and visual arts. With the arts-infused curriculum, students are provided opportunities to exceed South Carolina academic standards while excelling in the arts.

The arts allow us to meet the diverse needs of our school population on a daily basis. This year, our school was awarded the Arts in Basic Curriculum grant and the Distinguished Art Program grant. As a result, our school community participated in work with five different artists in residence, attended community theatre performances, and visited a local art gallery. We also expanded our instruments to include African drums. Additional grants were awarded to support various programs in our school.

Other highlights of our year are equally noteworthy. We held a successful dinner theatre where both students and faculty entertained the audience. Our students and staff participated in numerous arts events around town. Students learned about local water sheds through a national project called River of Words that combined art, poetry, and science. One of our own third grader's artwork was featured on the front cover of the book produced showcasing student artwork and poetry from across the district. We participated and placed in local, regional, and national cup stacking events.

Our school family also gave back to our community in numerous ways. The show choir and dance groups performed for residents in assisted living facilities. The show choir caroled downtown, as well as performing at Night on the Town. The school as a whole collected Toys for Tots, coats, and canned goods, as well as raising money for Relay for Life and Jump Rope for Heart. In celebration of Beaufort's Tricentennial, students created birthday cards and framed art that can be found on display in several local businesses.

Lady's Island is committed to creating optimal learning environments while focusing on helping each student reach his or her personal best. Boasting strong parent participation, dedicated classroom instructors, an active PTO and SIC, and supportive community stakeholders, Lady's Island is an incredible place where all children excel and realize their potential.
