REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Lambs Elementary School, students are learners today, leaders tomorrow! Our mission at Lambs is to prepare our students to be independent, life-long learners and productive citizens of the world by providing safe, stimulating, and challenging educational experiences. The average class size at Lambs is 18 students. Every classroom is equipped with a SMARTBoard for interactive educational experiences and a state of the art audio system to enhance learning.

Providing our students with interesting and challenging curriculum is at the forefront of our goals. In 2011, 12.3% of our students were served by the gifted and talented program. This was an increase from 9.1% during the previous year. Lambs Elementary continues to implement the Lambs Traits, an integral component of our PBIS plan, throughout the curriculum. Students are recognized frequently and consistently for positive behavior. Some of these recognitions include incentive drawings, quarterly celebrations, and shopping the Lambs Loot store.

Teachers meet weekly to discuss instructional strategies and monitor student progress. Our continuing contract teachers increased from 81.8% in 2010 to 93.5% in 2011. The faculty, staff, and administration are dedicated to the full implementation of Vision 2016. Professional development activities are planned that will provide teachers with additional skills in reading instruction.

Lambs Elementary is a school supported by Title I funding with more than 80% of the students at or below the poverty level. In 2011, the student attendance rate continued to meet the state objective at 94.8%. The teacher attendance rate continued to be at 97%.

The number of volunteers and mentors working with Lambs continues to increase. We continued our quarterly Parent Breakfast program during the 2011-2012 school year. Our special guests spoke with parents about various topics including programs at the local library to being informed about bullying.

We recently received the Farm to School Grant which has enabled us to build gardens around the campus and promote healthy lifestyles. We have phenomenal partnerships with various community organizations, including Joint Base Charleston and Southwest Airlines! These organizations provide many volunteers and student mentors. As we embark upon the 2012-2013 school year, we look forward to many exciting and challenging learning opportunities for all students!
